

## Ruach Dream Files –

May 2017

What a whirlwind few months 2017 has been this far. It is as if I (Martin) was plucked from one world to another. I still shake my head in amazement of what has happened to me and my family. After being released from my responsibilities at my employer, I was faced with the challenge of redefining myself from a career perspective. My first reaction was to assume that I am in full-time ministry now. However, it seems that Father has other plans for me....to be Christ-like in the business world.

I got exasperated to explain to people why I am not in full-time employment any more when the Lord just put the following words on my lips "*I have formed a management advisory company that will function from the Western Cape and expand to the rest of South Africa and Africa to eventually make a difference in government administrations and the marketplace worldwide!*"

That set off a chain of events which has allowed me to be invited to be a service provider for organisations such as the World Bank and local and provincial government departments. I have also experienced the challenges facing every person starting a business from scratch, registering a company, tax registration, BBBEE, etc, etc. Anyway, I am at the start of an exciting new phase of my life.

I will still continue with the authoring of books. I have translated the Numbers Dictionary to Afrikaans (*but have not been released to publish it*). I have also completed a guidebook on Divine Healing and is waiting for confirmation to publish it. Letitia and I are also working on a book based on our seminar series on Tribes and Colours, exciting stuff!

Letitia has gone through a massive physical challenge over the past year and it was amazing to see how the Lord has done one miracle after the other in her life. Her personal ministry to people as well as the management of Ruach Media is very demanding and I am amazed to see how the Lord turns a phone call to order a book into a 2 hour ministry event, changing people's lives and leading them to the Lord. We are also very excited with the placement of our Afrikaans books in all CUM

Bookstores. We are still praying for an open door to allow our English books to be on the Cum Bookstore shelves as well. Your prayers will be appreciated.

We have several enquiries from Polokwane, Ermelo, Pretoria and Rustenburg as replacement seminars. Keep a lookout on our website [www.ruachmedia.org.za](http://www.ruachmedia.org.za) for more news on this. We hope to be able to undertake a more comprehensive ministry tour during September/October this year. The Lord has impressed it on our hearts not to drive the process of arranging seminars ourselves but to wait for invitations. Planning is therefore out of the question and we only respond to a confirmed invitation.

## HEARING THE VOICE OF GOD

We are excited about this new season of discovery and revelation and hope to share it with you. Let us gather together before the feet of the Lord and hear His promises, His revelations for our lives and His guidance for what is to come. It is amazing to get answers to your questions, guidance on decision-making, healing from insecurities and fears, because He is the Source and He is the answer to every question.

Blessings
